

COVER LETTER

Dear Sir/Mam,

With reference to your advertisement, I wish to apply for the position of "Assistant Director Utilities & Surveys "in your organization. It was my long cherished dream to work in a reputed organization like yours.

I have done BE in Civil Engineering with high grades & have 8 years' experience in Civil field. Currently I am working in PPHI SINDH as a Civil Engineer & have experience in construction, Planning & maintenance & have excellent command on AutoCAD, Primavera & MS Project Softwares & previously I worked in US-Aid Projects of Construction of schools in Sukkur & Larkana districts.

I believe I have excellent technical knowledge and I keep myself updated with latest advancement in the field of Civil Engineering.

My attached resume enlists academic details, my internship & job description. My educational background, my internship & job experience have helped me to set up a strong foundation to grow as a professional Civil Engineer.

I surely believe I would turn out to be a valuable asset in your organization if given the opportunity. I strongly believe that in a working environment such as your esteemed organization is conducive to fulfill my aspirations.

I eagerly seek an opportunity to hold aloft the reputation of your organization in the competitive world with my contributions in your team.

I close with great hopes and aspirations.

Sincerely,

IBRAR AHMED
